

### **MEMBERSHIP INFORMATION – 2021**

All memberships run from 1st April (or the date of joining thereafter) to 31st March of the following year and include the following benefits:

- Free use of the outside courts at the Rutland Sports Park 12 months of the year. This is subject to weather conditions and daylight hours (see court availability times and exceptions attached). Please note that the courts are not supervised. In the event of the courts being full we expect that members will come to an amicable arrangement.
- Access to winter social tennis at the indoor centre from October to the end of March. Places on these sessions are limited and are organised so that there are always four players on a court to keep the cost down which for Winter 2020-21 will be £3.00 per hour.
- Third Party and Public Liability Insurance but NOT Personal Accident or Medical Insurance.
- Entry into the club draw for allocation of Wimbledon Tickets for members who have paid their annual subscription in full by the 10th May each year. Tickets must be paid for separately.
- Access to our programme of professional coaching as may be available.
- Access to our weekly social tennis sessions.
- The chance to play for free in our teams in the Derby Area League and the Nottinghamshire LTA leagues, and take part in any club competitions / leagues.

Please note that save for organised events and coaching sessions, the courts are not supervised. The club advises that an adult be present when children use the courts. Please also note that we welcome all ages and abilities – and it is not necessary to wear white clothing when playing tennis!
